

COUNTER DRILLING RECOMMENDATION FOR DECK-MOUNT WIDESPREAD BASIN SETS

3/4" Offset for use with Round & Oval Bowls 2" MINUMUM 1 1/8" DIAMETER -FACE OF BACKSPLASH TO CENTER OF SPOUT HOLE −1 1/8" DIAMETER 1 1/8" DIAMETER HOLE FOR VALVE HOLE FOR VALVE HOLE FOR SPOUT ¾" OFFSET 34" OFFSET 2 ¼" MINIMUM CENTER OF SPOUT HOLE TO EDGE OF BOWL CUTOUT Large oval porcelain bowl with 1" undermount lip shown as example. Recommendation is for most stock basin sets; drilling for made-to-order basin sets should be confirmed individually. No 14000 Ritz Basin Set requires 2 ½" minimum distance from center of spout hole to edge of bowl cutout. Dashed circles indicate mounting nuts; if adjusting position ensure there is 1 ¾" clearance around drilled holes for mounting hardware. Drawing shown at scale on tabloid.
